Furthermore, the Company acknowledge that each of the members of the Syndicate and their respective Affiliates may have fiduciary or other relationships whereby the respective member of the Syndicate and its Affiliates may exercise voting power over securities of various persons, which securities may from time to time include securities of the Company, potential purchasers of Equity Shares or others with interests in respect of the Issue. Furthermore, the Company agree that neither such Group nor any member or business of such Group is under a duty to disclose to the Company or use on behalf of the Company any information whatsoever about or derived from those activities or to account for any revenue or profits obtained in connection with such activities. However, consistent with each Group’s long-standing practice to hold in confidence the affairs of its customers, each such Group will not disclose confidential information obtained from the Company in connection with the Issue except in connection with its services to, and its relationship with, the Company (except as provided under Clause 8)
